It is my grandmother's birthday! It is the 12<sup>th</sup> of May today. She is 65 years old. My mother baked her a nice chocolate cake for her to eat. I got her a great present. I got her a new hat. I wrapped it in a box for her! I hope she likes it. I can't wait to eat some cake after she opens the present!

The house is so dirty! We need to clean it. I helped my mother by taking out the vacuum cleaner. My grandmother started cleaning the cabinet. I vacuumed the floor. My mother then mopped the floor using a mop. The place is now so clean! My mother said, "we need to clean every day to keep the house tidy."
