

Kindergarten Reading: Summer

It is summer! My favorite season of the year. June, July, and August are in the season of summer.

There are so many things we can do! Let's find out what we can do for fun!

Kindergarten Reading: Summer

The weather is sunny! It is so hot.
Let's go to the beach!

We must pack some things. We
need a ball, a camera, and some
flip flops!

There are so many things we can
do!

Kindergarten Reading: Summer

The water is nice and cool. We can use our floats to relax. We can swim as well!

On the sand, we can build sandcastles. We need our bucket and spade to make them.

The beach is so much fun!

Kindergarten Reading: Summer

The beach is a fun place to visit.
We can do so many things.

The sand is soft for our feet and
the sea is great to swim in.

Summer is my favorite season of
the year. I love summer!
