

Primary Grammar: Creating a Setting

There are many different things you can include when creating a story setting. Here is a checklist of what to include:

- The weather
- The time of day
- What can be seen
- What can be heard
- What can be felt

Remember, adjectives help provide more detail and allow the reader to picture the setting in their head!

Read the following paragraph. What is missing in this setting? Use the checklist to help.

Today is a sunny day. I went to school. I was happy.

Write down something to add to the paragraph to improve the setting.

Primary Grammar: Creating a Setting

Let's plan your detailed setting. Go through each of the questions.

The weather

The time of day

What can be seen

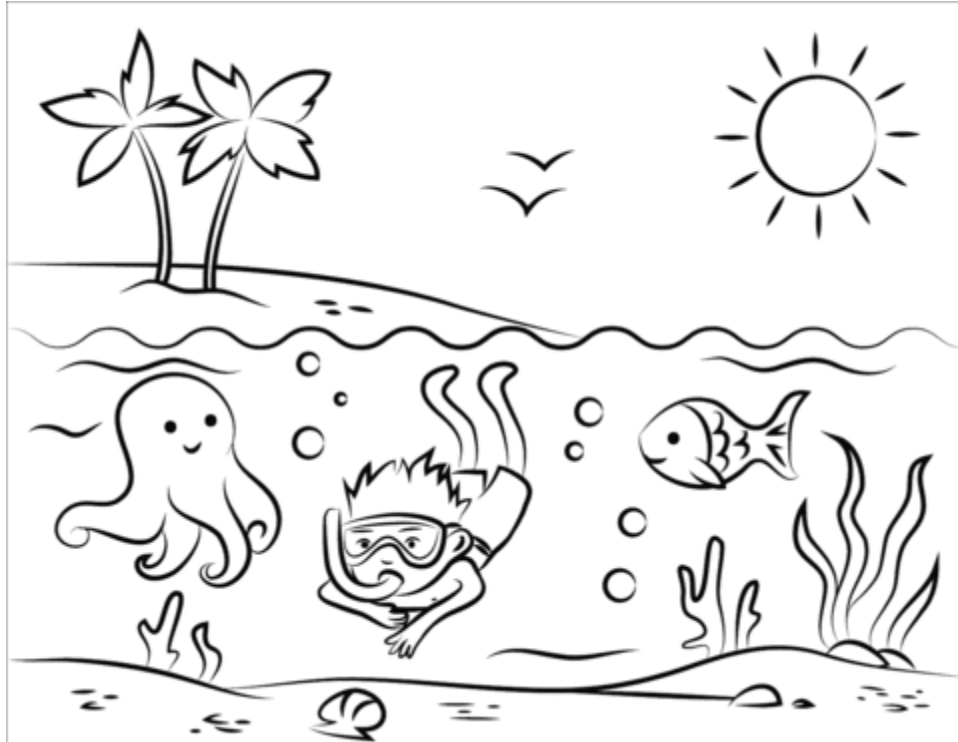

What can be heard

What can be felt
