Phonics – Digraph 'ai'

Read the story.

The trains are not happy, it is raining! What a pain!
They wail, they are afaid of the rain. They cannot go
fast. They have to go as slow as a snail. They must
wait for the rain to go away.

The rails are still wet. There is nothing the trains can do.
If they go, they will fail. The rain will turn to hail. The
hail is painful. All the trains can do is wait and wail
wail wail.
