- weet

Phonics – Digraph 'ee'

Read the story.

The sheep dressed up as a bee. He wanted to fly to the green tree to see the queen bee. He had a peep, but the queen bee was sleeping! There is nothing to see.

Back to the street, the sheep needed to eat. It wanted a nice treat. What do bees eat? Beef? Seeds? The sheep was not very keen. How about some greens? One, two, or three?
